

***HINGA MAJHI SHOWS THE WAY TO VEGETABLE PRODUCTION AND MARKETING IN DABRIGUDA***

Hinga Majhi (35) from Dabriguda village, Badchhatrang Gram Panchayat, Th Rampur block worked hard with his wife Sakuntala Majhi to produce beans, Ladies finger, Brinjal and Chilly in his 40 dismal land near by his home during last kharif season. He sold vegetables of whopping Rs.30000/- in the nearby market and purchased a pump set (1.5 hp) to irrigate 1 acre of land by sourcing water from nearby the stream. In the upcoming rabi season, he is planning to cultivate green peas, onion, banana and pointed gourd in his land. He and his family is real inspiration for others in the locality. Neighboring villagers are visiting his farm land to know more about his initiative.
